THE IGOS PARTNERSHIP
An agreement among the partners for the definition, development and implementation of an integrated global observing strategy

The block features the IGOS logo at the top left. Below it, a collection of partner logos is arranged in a semi-circle. These include: CEOS (Committee on Earth Observing Satellites), FAO (Food and Agriculture Organization), ICSU (International Council for Science), GIOS (Global In-situ Observing System), ICSU (International Council for Science), IGBP (International Geosphere and Biosphere Programme), IGFA (International Geosphere and Atmosphere), UNESCO (United Nations Educational, Scientific and Cultural Organization), UNEP (United Nations Environment Programme), WFP (World Food Programme), and WHO (World Health Organization). The text 'THE IGOS PARTNERSHIP' is prominently displayed in the center, with a subtitle explaining the agreement's purpose.
